

LIVE STRONGER

Life Group Lesson Week 2

Read James 1:13-15 & Genesis 3:1-13

Discuss:

- Discuss the similarities between what James describes and what Adam & Eve experienced.
- What was tempting to Eve? The fruit? The knowledge? The forbidden? How does that relate to our struggle with temptation?
- Where does temptation strike us – where we are weak or where we are strong? How can realizing this help us?

Read James 4:1-10

Discuss:

- Craig Massey wrote, “Two natures beat within my breast. The one is foul; the one is blessed. The one I love; the one I hate, but the one I feed will dominate.”
Discuss how this statement is true in our lives. How can do we feed the one we hate? How can we feed the one we love?
- Discuss ways we can resist the devil? When should we stand and fight? When should we run?
- What does verse 9 tell us about how God sees our sin? Discuss some ways we can “come near to God” and stay near God.
